SUNFLOWER
A U C T I O N

We are privileged to sell at auction today the third-generation toy collection of Mr. Don Tvrdek of Topeka, KS. Don has collected toys for most of his life, and several of these toys were passed down to him from his father and grandfather. Don has been a regular on the Midwest toy show circuit, and has conducted numerous seminars over the years for various civic organizations. The collection was previously on display at Don's home in Topeka where numerous visitors toured the collection over the years. Most of the items are in excellent condition. Don would not purchase a wind-up or battery-operated toy if it was not working, and he always checked boxes for completeness. We hope you enjoy the auction.
