## Record Sale:

We will be selling 250,000+ LP's of all music genres including Blues, Jazz, Gospel, Classic Rock, Classical, Country, Imports, Pop, R&B, Rock, Soundtracks and Comedy among others. **All records will be sold for \$1 each**, regardless of the original retail price. Most of the records were priced anywhere from \$5 to \$50 in the store, some even higher. This will be a once-in-a-lifetime chance to stock up on vinyl, and we mean stock up! We are still going through thousands of boxes of records. Due to space constraints, **fresh stock will be added daily**. After the sale, we will be taking offers on the entire remaining stockpile of records.

Due to the death of “The Music Exchange” owner Ron Rooks and the subsequent closing of the vinyl phenomenon in Kansas City, we will be selling the entire remaining inventory and fixtures at public auction and record sale in July.
